GENERAL SEMF REGULATIONS

*SEMF addendum will possibly be updated after AMAF syllabus release.

1. Eligibility

Competitors in ensemble classes must choose the division corresponding to or higher than their solo entry/entries. If two or more competitors are in different age categories, they must enter the higher age category in ensemble classes.

SEMF requires that competitors in **all solo classes** must perform in two or more solo classes at the same grade/age group in the same discipline to be eligible for a Provincial Final recommendation. One of these classes must be a Provincial Finals eligible class.

Exception for Musical Theatre competitors: To be eligible for provincial recommendations, entrants must perform in two solo classes, however one of the solo classes may be in the vocal discipline.

Please note that first place winners of Provincial Finals Music classes may now be eligible to compete at the same level provided they are recommended from a local festival class one grade higher than the previous year.

2. Provincial Recommendation

Adjudicators may recommend **one or two representatives** (and an alternate) at each level indicated from each of the eligible disciplines.

3. Performance Requirements

Participants who choose to enter classes for adjudication only may not do so at a lower level than his/her competitive entries.

4. Accompaniment

The intent of SEMF and the Provincial Finals is to have live performances by both the performer and the piano accompanist; however, some situations may require modification of this rule and will be assessed on an individual basis. SEMF will not be obligated to provide a sound system if needed.

5. Original Scores

Performers are encouraged to perform from memory, but when a score is required, it must be an original and not a photocopy. All entrants must provide an original of their selection for the adjudicator's use. Legal electronic downloads must be accompanied by a receipt, with the exception of music downloaded from IMSLP (Public domain source). The performer will be ineligible for awards when unauthorized photocopies are used. As well, the entrant with that selection. Entrants providing selections for the adjudicator's use must have their books open and marked with their name and the class number. All music that is in loose page format must be presented stapled together or bound in some way.

Photocopies are not allowed except:

- where an entrant produces a letter from the publisher giving permission to photocopy.
- where an entrant produces correspondence from the publisher or music supplier, dated 60 days prior, stating the item is backordered and payment has been received.
- where a selection from a current high school operetta is selected for performance and permission to photocopy has been obtained.

6. Marking

The following classes will be adjudicated with no marks given: **Choral, Instrumental** (Beginner), **Junior Piano** (Beginner), **Strings** (Suzuki and Beginner), **Musical Theatre** (10 years and under), **Vocal** (10 years and under). As a general guide, the following marking system is used:

Grade	Mark	Performance Standard
A +	90 to 100	signifies superior performance
A	85 to 89	signifies distinction
A -	80 to 84	signifies definite merit
B	75 to 79	signifies adequate
C	70 to 74	signifies fair standard

The decision of the adjudicator regarding ranking of participants must be accepted as final. At no time must anyone approach the adjudicator to discuss any matter.

7. Class Specific Regulations

Provincial eligible classes begin with the letter “P”.

*****NEW - AMAF has introduced a 6th participation level eligible for Provincial recommendations in the new online syllabus:**
